Student of the Month Recognition

Potluck

Every month ABM College students and staff recognize and honour students of the month that have excelled in their respective programs. A Potluck format provides a venue for students and staff to socialize with other students from different programs while enjoying food and refreshments. The Potluck is held at 12:30 pm for the morning classes and 7:00 pm for the evening students, in the college cafeteria. The Potluck is also open to alumni as well. Students are encouraged to bring food to share in a Potluck with ABM also providing food. The first student of the month recognition party was a great success! ABM College would like to thank everyone who attended and brought food. We realize the effort and time it takes to provide food and it's greatly appreciated!
